	<b>Total</b>	<b>135</b>	<b>100.0%</b>	<b>13,564</b>	<b>100.0%</b>

All twelve of the properties of four or more stories with less than full sprinkling, receive federal rental subsidies or Low Income Housing Tax Credits which restrict the amount of rent that can be charged. This would make it very difficult for these properties to incur substantial capital costs, since the cost would have to be borne by the owner and could not be readily passed on to the tenants.
